Dear Mr Plenković,
Dear Honourable Members,

Thank you very much for your message of congratulation which you sent to me on the occasion of my election as future President of the European Commission.

I feel very honoured by this election by the European Parliament and the responsibility this brings with it towards the citizens of the European Union.

I also took good note of your suggestions concerning the need to increase public awareness about European history and crimes committed by totalitarian regimes. I will discuss this with the future Commissioner once the new Commission takes office after 1 November 2014.

Yours sincerely,

Mr Andrej PLENKOVIĆ, MEP
European Parliament
